A white refrigerator is shown from a front-facing perspective with both doors open. The top door, which is hinged to the left, is open to the right, revealing a small freezer compartment with a single wire shelf. The bottom door, which is hinged to the right, is open to the left, showing the main refrigerator compartment. This compartment features four wire shelves, a large transparent drawer at the bottom, and a door with three shelves and a large storage bin at the bottom. The refrigerator is set against a plain white background.
